FULL PROGRAMME OF NEW INSPIRATIONS AND TRENDS

Around 500 events during ProWein offer visitors an inexhaustible source of inspiration for their business. Of course, the exhibitors substantially contribute with their specialist lectures, seminars and tastings. In addition, numerous tasting areas attract those visitors focusing on wines from all over the world, some of which have multiple awards.

Following its successful premiere in 2018, ProWein will once again be providing producers of craft spirits, craft beer and cider with their own hall for the special show 'same but different'. Hall 7.0 is the place where ambitious producers with high-quality, individual products meet barkeepers, trend restaurateurs and dealers in trendy bar surroundings. Everything is rounded off by the fizz lounge, the place to be for spirits specialists and the latest trends.
